The right light

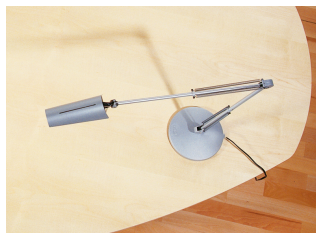

Air LED

Air LED - Recently redesigned to be more energy-efficient and now includes a larger, more even, asymmetric light distribution, dimmable LEDs and a 9/4 hour automatic shut off. Asymmetric task light with a feather-light spring-balanced arm in a simple and clean-cut design. With its clear expression, timeless design and excellent light distribution, Air is a fine choice for the modern office.

- Light source: 6.5W Dimmable LEDs (4x1.6W)
- Total energy consumed: 8W
- Offstate power: 0.3W
- 9/4 hour automatic shut-off
